## Detoxification by Neutralizing Toxins

Featuring: **Pamela M. Sadler RN, BSN, CTTH, D.Hom, CN, PBP**

Pam is the President of the United Holistic Association and has been coaching clients regarding natural ways to regain health for 20 years. She is a Certified Tribal Healer, has a Diploma in Homeopathy. She became a Certified Clinical Nutritionist in 1998, and is an Associate Instructor in Bowen Therapy. She has studied and used many alternative practices in her career including herbs, aromatherapy and several forms of energetic healing.

In the lecture and hands on presentation Pam will discuss the general steps to take in removing blocks to healing as well as neutralizing many substances that we have been exposed to in our lives. This is an introductory course that includes energetic healing techniques only a few are aware of. This talk will continue on March where she will discuss ways to encourage the body to use the nutrients taken in and if time allows to.

Cost is FREE for Members and Non-Member \$10.00/ Certificate of Attendance for workshop credit will be given toward CNE
